ASSURANT®

Rivian Care Vehicle Service Contract

We're excited to introduce the Rivian Care Vehicle Service Contract¹, an optional vehicle protection product powered by Assurant®. It helps keep your Rivian vehicle protected beyond its manufacturer's warranty.²

01 Keep driving

Available Vehicle Service Contracts may offer up to 10 years of coverage, include unlimited miles (high voltage/traction battery up to 200,000 miles), and include coverage of select wear and tear items from the start of your plan.^{2,3}

02 Enjoy competitive pricing

Purchase the Rivian Care Vehicle Service Contract while your Rivian New Vehicle Limited Warranty is still active for competitive rates.^{2,3}

03 Boost your vehicle's appeal

A well-maintained, warrantied vehicle may retain its value better over time. And you can transfer your Vehicle Service Contract to a future buyer, further increasing resale appeal.⁴

04 Help save money servicing your Rivian vehicle

The coverage includes several common Wear & Tear items⁵ such as:

- Interior and exterior light bulbs (impact damage not covered)
- Fuses
- One replacement set of front and/or rear brake pads including brake rotor replacement if brake rotor thickness is less than the manufacturer's minimum specs
- One replacement of each hose
- One replacement set of front and/or rear windshield wiper blades
- One wheel alignment

¹ Rivian Care Vehicle Service Contract is provided and administered by United Service Protection Corporation (TX License #106; CA License #0D01816) in all states except **Florida - United Service Protection, Inc. (FL License #60016)** and Oklahoma - Assurant Service Protection, Inc. (OK License #44199246). These companies operate under the trade name Assurant. Provider address: **P.O. Box 21647, St. Petersburg, Florida 33742**. Administrator address: P.O. Box 7719, The Woodlands, TX 77387. 1-855-277-0012. Coverage options and product offerings may not be available in all States. **Replacement parts may be new, used, non-OEM or remanufactured.** Refer to the service contract for complete details, including limitations and exclusions.

² Purchase of a Rivian Care Vehicle Service Contract is optional and is separate from Rivian's New Vehicle Limited Warranty. Service Contract terms, conditions, limitations and exclusions apply.

³ Coverages and coverage period may overlap with existing New Vehicle Limited Warranty. Vehicle Service Contract coverages are secondary to the New Vehicle Limited Warranty. Assurant's pricing takes into account this overlap. During the overlap, the pricing is mainly based on Wear & Tear coverage that the existing New Vehicle Limited Warranty does not provide. A coverage of up to 10 years requires the purchase of a 10-year Vehicle Service Contract. Shorter terms are available.

⁴ Transfer fee applies. Subject to contract requirements.

⁵ Terms, conditions, limitations and exclusions apply.
